Opportunity meets opulence at 106 Haddington Drive! Now positioned with a refreshed price that reflects incredible value, this 2023 custom-built masterpiece offers a rare chance to secure a legacy estate within the prestigious gates of Forest Creek Golf Club. Set on over two wooded acres, the home captures the essence of Pinehurst living with sweeping views of the 12th hole on the South Course. Spanning over 6,000 square feet, the residence is a study in sophisticated design and effortless flow. The heart of the home is a dramatic two-story living room, where a floor-to-ceiling stone fireplace serves as a focal point and sliding glass walls disappear to merge the indoors with the crisp Carolina air. For the culinary enthusiast, the kitchen is nothing short of a dream, featuring a massive quartz island, a premium ILVE range, and a discreet butler's pantry designed for seamless entertaining. Thoughtful details abound, from the herringbone brick flooring in the mudroom--complete with a dedicated dog wash station--to the handsome main-level office with custom built-ins. The architectural intelligence continues upstairs, where productivity and leisure coexist beautifully. In addition to a large flex space, a second dedicated office provides a quiet, elevated environment for focused work. The primary suite remains the home's ultimate sanctuary, boasting a private balcony with an outdoor shower and a spa-inspired bathroom.
